1. Installation Guide

Please complete the following steps to install the pack:

1. Move your entire unzipped download folder to a safe, memorable location on your hard drive (we recommend creating a dedicated folder for your samples).
2. Open up your DAW (Logic, Ableton Live, Reason etc).
3. Import samples into your DAW or sampler either by dragging and dropping from your unzipped folder, or by using your software's import function (please consult your software's manual for further instructions).

That's it! Further installation assistance can be found in our [support section](#) and tips and tricks can be found in our [magazine](#).

2. Technical Info

- WAVE (.wav) format for the samples
- 44.1kHz (sample rate)
- 24bit (bit depth)

3. License Agreement

Copying, duplicating, lending or re-selling this product or its contents, in whole or in part, is strictly prohibited. This non-exclusive license is granted for a single user only on a global basis, for the full copyright protection period.

You are licensed to use and modify the contents of this download royalty-free, granting you the right to incorporate the files into your own, original music compositions and multimedia projects, both personal and commercial, without further permission from or royalties due to ModeAudio Ltd, provided they are used in combination with other sounds or musical elements. Please visit our [website](#) for further usage details.

This license is non-transferable. You cannot electronically transfer the files included in this product or place them in a time-sharing or service bureau operation, or a computer network. ModeAudio Ltd cannot be held responsible for any direct / indirect consequential loss arising from the use of this product in whatever form. ModeAudio Ltd, the owner of this product, reserves all rights.

4. Contact / Support

If you have any problems with this pack at all then please don't hesitate to get in touch. Either fill in our [contact form](#), or send an email to the following address:

support@modeaudio.com

Include as much information about the issue as you can - screengrabs are usually very helpful. We'll almost certainly need to know which OS (e.g. Mac or Windows) you use and which DAW/piece of software you want to use the sounds with.

If you want to stay up to date with all things ModeAudio, you can sign up to our [newsletter](#) to receive sounds, tips, tricks and more.

Thanks again, we hope you enjoy using the sounds as much as we enjoyed making them - come back soon!
